VERSETTA STONE

The beauty of stone, the simplicity of siding.

No need to paint, coat or seal, it is backed by a 50-year limited warranty including one-time transferability!

Boral Versetta Stone® is a mortarless, cement-based manufactured stone veneer with a unique, panelized design that is installed with mechanical fasteners, adding the beautiful detail of traditional stone masonry with a modern installation method.

TruExterior® Siding & Trim

SIDING • BEADBOARD • TRIM • ACCESSORIES

High performance material resists rotting, splitting, cracking and termites.

With a high level of dimensional stability and resistance to moisture, Boral TruExterior® Siding & Trim is ideal for a number of exterior applications.
